

# Call for Papers

## RESEARCH AREA

- ✓ Advanced Manufacturing, Robotic and Sensor Technology
- ✓ Building Science and Technology
- ✓ Computer Sciences
- ✓ Construction Technology
- ✓ Information, Communication and Technology
- ✓ Energy and Green Technology
- ✓ Environmental Sciences and Technology
- ✓ Fundamental and Applied Sciences
- ✓ Mathematics and Statistics
- ✓ Modeling and Simulation
- ✓ Management of Technology
- ✓ Operational research
- ✓ Sustainable Technology
- ✓ Technology and Operational Science
- ✓ Transportation and Logistics Technology
- ✓ Value Engineering
- ✓ Built Environment
- ✓ Technology in Disaster Risk Reduction
- ✓ Human Security and Safety
- ✓ Supply Chain
- ✓ Fluid Mechanics
- ✓ Thermal Science
- ✓ other topics in technologies and sciences applications

## IMPORTANT DATE

- **Full Paper Submission**  
31 May 2023
- **Acceptance Notification**  
30 June 2023
- **Camera-Ready Paper Submission**  
15 July 2023
- **Payment Deadline**  
15 July 2023
- **Conference Day**  
11-12 September 2023

Organizer:

[f](https://www.facebook.com/arms.academicsociety) [in](https://www.linkedin.com/company/arms.academicsociety) [ig](https://www.instagram.com/arms.academicsociety) @arms.academicsociety

All accepted papers will be published in Scopus indexed Proceedings OR Book Series OR Refereed Journal

## ICAST2023

12<sup>th</sup> International Conference on Applied Science and Technology

11-12 SEPTEMBER 2023. HYBRID CONFERENCE. PENANG
